

Dave's Predictions for the next 4 years.

Sub-title: "Ongoing Destruction of the US"

Written on 1/6/2021

1. End filibuster. (to block any opposing opinions)
2. Give citizenship to millions of illegal aliens. (to garner millions of more democrat voters and citizens dependent on government handouts) ✓ **In process – 16 to 29 million not the 11 million LIE.**
3. Roll back Trump tax cuts. (effectively slowing the economy and hurting the middle class and lower class wage earners by driving prices up and decreasing take home pay) ✓ **In process**
4. Re-join the Paris Climate Accord (further promoting China and destroying the US middle class) ✓ **completed**
5. Re-start the absolutely absurd and reckless Iran deal (further funding terrorism) ✓ **In process**
6. Pack lower federal courts. (so as to prevent cases from going to the Supreme Court) ✓ **In process**
7. Modify/legislate out of existence the Electoral College. (move to a mob-rule type of governance. Using deceptive argument that all votes should count equally.)
8. Enact massive gun owner controls. (in direct violation of 2A making criminals of law abiding citizens) ✓ **In process**
9. Pass "Net Neutrality". (shutdown all conservative talk radio) ✓ **In process**
10. Pressure states, counties, cities to defund police.
11. Restart obama policy of defunding the military. ✓ **In process**
12. Restart obama's war on the middle class. ✓ **Well In process—over 10,000 jobs lost per day in the first two weeks.**
13. Restart obama's war on oil and gas. ✓ **Well In process**
14. Quench any attempt to bring the obama administration's criminal acts to justice. ✓ **Accomplished**
15. Restart obama's criminal misuse of government agencies (IRS, FBI, CIA...). ✓ **Accomplished**
16. Enact new laws, rules, and requirements making any manufacturing business in the US difficult. ✓ **In process**
17. Remove the mentally failing Biden and install Harris. (two years and 1 or 2 days into his administration) ✓ **Just started (remove nuclear football from Biden control)**
18. Continue lying about and attacking Trump just in case he wants to run in 2024. (every liberal failure over the next four years will be because of Trump and/or conservatives.) ✓ **In process (will never end—just like obama did for 8 years.**
19. Pack the Supreme Court (destructive to the rule of law, moving to rule of emotion/whim)
20. Make DC and/or Puerto Rico a state. (unlikely to succeed designed to prevent Republicans from ever gaining control of the Senate again) ✓ **In process—but need to violate Constitution to accomplish**

1. Complete loss of free speech. (already well underway their attack on religious freedom, second amendment and free speech). Watch as more and more "descent" is classified as hate speech! If you don't believe what they believe you are a white supremacist. ✓ **In process**
2. Add useless bureaucracy to the management and distribution of the Covid vaccine thus slowing the distribution to a crawl (and then blame it on President Trump). ✓ **Accomplished**
3. Unethical and dishonorable money laundering scheme allowing radical left-wing groups (but not right wing) to collect formal US fines. ✓ **Accomplished**
4. Which of our freedoms is next on the "liberal" agenda? Only time will tell.
